

L.A Bendable LED Strip

LAL-S0612

Product description

Bendable LED Strip

3000K/4000K//6000k

Beam angle 120 degree

Indoor/outdoor lighting

Mounting type

Surface or Recessed

Technical data

Model number: LAL-S0612

Load wattage: 10w

Input voltage: 24v

Power factor: >0.90

Beam angle: 9-

Lumens per watt: 45lm/w

Color temperature: 3000K/400K/6000K

Colour rendition index: CRI ≥90

Cutable: 50mm

Main materials: Silicon

CRI: 90

Color finishing: White

Working temperature: (-20~60 °C)

Storage temperature: (-25~70 °C)

Lifespan: 50000 hrs

Warranty: 3 years

IP Rating: 65

All technical data is subject to industry-standard tolerances.
